under the auspices of the Dean of the Faculty of Engineering  
**Professor Zdenko Tkáč**

Dear friends and colleagues,

It is our privilege and great pleasure to invite you on behalf of organising institutions – Department of Physics of Slovak University of Agriculture in Nitra – to participate in the 17<sup>th</sup> International Workshop for Young Scientists "BioPhys Spring 2018" to be held in Nitra on **15<sup>th</sup> - 18<sup>th</sup> May 2018**.

The workshop is oriented on deeper insight into the physical processes occurring in biological, agricultural and food systems. The workshop combines two basic tasks of international meeting: exchange of professional experience and integration of young people from different countries.

Let me cordially invite young scientists to participate in the BPS 2018 Workshop and to present results of your research in application of physical methods to agriculture, biology and/or life sciences.

**The workshop is organised as an opened English spoken event without any fee.** One page abstracts of contributions will be published in the Book of Abstracts of the BPS 2018 Workshop. Full Papers will be published after reviewing process in the Proceedings of the BPS 2018 Workshop with intention of registration in the Web of Science database. Full papers can be also submitted for publication to International Agrophysics, Acta Agrophysica, Research in Agricultural Engineering, Scientia Agriculturae Bohemica or Acta Technologica Agriculturae.

It is my pleasure to invite you to spend a few days of May 2018 in friendly atmosphere between young people in Nitra.

**Vlasta Vozárová**

Chairman of the Organising Committee
